6. Keep personal information to the minimum necessary and delete it when we no longer need it;
7. Have effective safeguards in place to make sure personal information is kept securely and does not fall into the wrong hands;
8. Provide training to staff who handle personal information and treat it as a disciplinary matter if they misuse or don't look after personal information properly;
9. Put appropriate financial and human resources into looking after personal information to make sure we can live up to our promises; and
10. Regularly check that we are living up to our promises and report on how we are doing.
